

# 5 Quick Tips for trimming your Wedding Guest List

## 1 - CONSIDER YOUR BUDGET & VENUE

How many people will your venue hold? What can you afford/ cost per guest? Knowing these 2 things can help you cut your guest list.

## 2 - BOTH SIDES & THE MIDDLE

Keep things equal by compromising on a fair split between bride's side, groom's side and mutual friends.

## 3 - CATEGORIZE

Divide your guests into groups - immediate family, close relatives, not-so close relatives, friends, acquaintances, children, etc. Now you can see where they fit into your life and wedding.

## 4 - STAY IN THE PRESENT

If you haven't seen someone in a long while - like 2 years, then feel free to cut them from your list.

## 5 - WHAT ABOUT THE PLUS-ONES?

Plus-ones usually go to married, engaged, in long term relationships or in the bridal party. Beyond that you need to make a rule and stick to it!
